SUMMARY

Transformational educator and tech enthusiast with a degree in Information Technology (CGPA 3.02). With a passion for teaching and learning, I've successfully delivered comprehensive lessons to students at the high school level, fostering academic excellence and curiosity. My expertise spans programming, game development, HTML, and advanced computer science. A seasoned public speaker and award-winning artist, I bring creativity, energy, and inspiration to the classroom. Dedicated to empowering students to reach their full potential, I'm excited to join a dynamic educational community.
