

MOHAMMED NAWAZ

Planning|safety|Sustainability

Mohammednawaz11@hotmail.com • +91 9071111381 • www.linkedin.com/in/mohammed-nawaz-1638561a0

Results-driven mining engineer with a strong foundation in sustainable practices and resource optimization, seeking to leverage skills in the oil and gas industry. Experienced in safety management, project planning, and efficient resource utilization. Committed to promoting environmental safety and innovative practices in energy extraction

WORK EXPERIENCE

SAFETY & PLANNING ENGINEER

April22-Present

Conply Pvt Ltd is a platform for B2B Construction Material Suppliers and construction consultant

While in ledged with study to support my education I have been worked part time

- Developed & managed project schedules, budgets, and timelines, ensuring compliance with safety standards.
- Led planning for infrastructure projects, overseeing design and maintenance through project management.
- Identified potential workplace hazards and implemented safety protocols to enhance reliability.

EDUCATION

Bachelor In Mining Engineering NBA (National Board of Accreditation) CGPA 7.02/62.7%
Dr T Thimmaiah Institute of Technology (Visvesvaraya Technological University), KGF Dec21-June24

- Focused on sustainable resource extraction and safety management, emphasizing innovative practices in minerals operations.

Diploma In Mining Engineering

Acharya Institute of Technology, Bengaluru 75%

Aug18-Nov21

- Fully engaged about mining, including exploration, extraction, and processing of minerals. Topics include surveying geology, mine safety, ventilation, rock mechanics, blasting, and mineral economics.

12th (Physics, Chemistry, Mathematics, Computer Science)

July16-May18

Vidya PU College, Tumkur 60%

INDUSTRIAL TRAINING

1. Uranium Corporation of India Limited, Tummalapalle.

- Learned cost-effective technologies for uranium ore mining and processing, including underground mining techniques and geology

2. Hutti Gold Mines Limited, Hutti.

- Explored underground mining techniques for safe mineral extraction, focusing on planning, ventilation, and ground control.

3. Baldota Mines & Minerals Limited, Hospete.

- Conducted training on open-cast mining, covering site preparation, equipment operation, and environmental management.

CERTIFICATIONS

1. IOSH- Safety Manager (1Year)
2. First Aid certificate (DGMS)
3. Analysis of Accident & Incident Investigation (KHDA-Dubai)
4. Environmental Management & Sustainability (UKAF-UK)
5. Disaster Management & Advance Emergency Response Principle (CPD-UK).
6. Behaviour Based Safety Management (CPD-UK)
7. Control of Substance Hazardous to Health (KHDA-Dubai)

PROJECTS

1. Identification of Sustainable Mining Practices to Achieve Sustainable Development Goals.

- The focus is on identifying sustainable mining practices that align with and support the achievement of Sustainable Development Goals (SDGs).

2. An Investigation into Influence of Fatigue on Employees' Performance in Organization.

- This study gives the relationship between fatigue and productivity in organization

3. A Review on Recent Progress on Deep Sea Mining Machineries

SKILLS

Mining Engineering Expertise: Strong understanding of mining engineering principles, practices, and safety management systems, including risk assessment techniques.

Software Proficiency: knowledge of AutoCAD for design and planning. Project management tools like Trello and Click up.

Safety & Environmental Awareness: Familiar with safety regulations and environmental considerations in operations; certified in First Aid.

Leadership & Team Management: Proven ability to lead teams and manage projects effectively.

Analytical Skills: Excellent problem-solving and analytical skills with a strong foundation in mechanical, electrical, and electronics principles.

Communication & Presentation: Effective communication and teamwork abilities; experienced in preparing and delivering presentations.

Technical Skills: Proficient in Microsoft Office Suite (Word, Excel, PowerPoint) and capable of managing inventory efficiently.

Teaching & Training: Ability to explain concept clearly & effectively and good at taking the lead in guiding others towards achieving Goals.

LANGUAGES

English (Proficient), Urdu Hindi & Kannada (Fluent), Arabic (Basic).

DECLARATION

"I solemnly declare that the information in this resume is true to the best of my knowledge and belief. All information in this resume is right and truthful."

DOB: 11/02/2000
