CAREER PROFILE

I am Civil Finishing Officer, having professional experience in supervision and inspection of Structural & Finishing Architectural activities assuring required Quality for Commercial Building Construction and Infrastructure Projects in India. I am Building Handover Specialist.

I do believe in teamwork and confident to lead a team, having the personality to pass on skills and experience to subordinates through motivation and encouragement.

I am experienced in preparation of daily work schedule, daily progress report, arrangements of resources such as approved drawings, project specification, method statements, man power, materials, and machineries etc., coordination with sub-contractors, material suppliers for smooth flow of works to reach the target in time.

My experience includes coordination with client representative, consultants, architect, designer, quantity surveyor, planning engineer, safety team and others to finalize site related issues, identifying the critical aspects related to safety, quality & progress and follow up for proper solution.
