+92303351909

Address: House No:872,Haji Bahram Near Fish Market Memon Muhallah Dadu,Pakistan

OBJECTIVE

Seeking a dynamic environment that offers a wide career scope, challenging research opportunities, and fosters success, enabling me to effectively apply my expertise in plant pathology, disease treatment, and preservation. I aim to contribute to innovative solutions in botanical science while pursuing continuous professional growth.

WORK EXPERIENCE

- Assessed and evaluated student progress through regular tests, assignments, and feedback sessions
- Collaborated with colleagues to design curriculum plans that met academic standards and enhanced overall learning outcomes
- Delivered well-structured lessons in English language and literature, focusing on grammar, vocabulary, reading comprehension, and creative writing.
- Developed engaging teaching materials and activities to improve student understanding and communication skills.
- Encouraged critical thinking and problem-solving through interactive classroom discussions and activities.

EDUCATION AND TRAINING

01/01/2018–01/01/2021 Jamshoro,Pakistan
