KALEEMULLAH

Profile

A highly skilled and experienced professional with a strong background in solar energy and project management, having worked across various renowned companies, including Farman Solar Energy, Roghani Sadozo Company, Shafiq-ur-Rahman Company, and Hamid Mahsood Company. With a proven track record of delivering results, managing teams, and contributing to sustainable energy projects, I aim to leverage my expertise in renewable energy solutions, project coordination, and client relations to drive growth and innovation within a dynamic and forward-thinking organization.

Work Experience

2016
2019

Solar Energy Specialist at Farman Solar Energy

- A dedicated and results-driven Solar Energy Specialist with extensive experience in the solar energy industry, having successfully contributed to projects at Farman Solar Energy from 2016 to 2019. Skilled in solar system design, installation, and troubleshooting, with a strong focus on delivering sustainable energy solutions

2019
-
2020

Project Manager at Roghani Sadozo Company

- A results-oriented Project Manager with four years of experience at Roghani Sadozo Company, specializing in overseeing and managing complex projects. Adept at coordinating teams, ensuring timely delivery, and maintaining high-quality standards

2023
2024

Senior Project Coordinator at Shafiq-ur-Rahman Company

- A highly skilled Senior Project Coordinator with hands-on experience at Shafiq-ur-Rahman Company, where I successfully led and coordinated key projects under the C4/14385 designation. With a strong focus on efficiency, client satisfaction, and quality management, I aim to leverage my expertise in project coordination and team leadership to drive successful outcomes in future endeavors.

2024
2025

Project Manager at Hamid Mahsood Company

- As a Project Manager at Hamid Mahsood Company (C3/23682), I will be responsible for overseeing and managing the planning, execution, and completion of key projects, ensuring they are delivered on time, within scope, and within budget. My role will include coordinating teams, handling client relations, and ensuring the highest quality standards are met.
