 **BSc (Hons) of Architecture**  
University of Khartoum

09/2019 - 11/2025 Khartoum, Sudan

## EXPERIENCE

**Active member at Institution of Civil Engineers (ICE)**

**Institution of Civil Engineers (ICE) Institution of Civil Engineers**

12/2024 - Present

- Active member contributing to a global community dedicated to advancing civil engineering knowledge, sustainable design, and innovative infrastructure solutions

**Member**

**Royal Institute of British Architects (RIBA)**

09/2024 - Present

- Member representing high standards of architectural practice worldwide
- Participates in a professional network championing creativity, innovation, and ethical responsibility
- Engages in architectural research and development of meaningful, resilient, and human-centered spaces

**Architect**

**Innovators Engineering Consultancy**

05/2025 - 07/2025 Abu Dhabi

**Member and secretary**

**Association of Energy Engineers (AEE) Association of Energy Engineers**

01/2021 - 04/2023 Khartoum

- Part of an international network dedicated to energy efficiency, renewable energy, and sustainability
- Committed to integrating innovative energy solutions into architectural and engineering practices

## RESEARCHES

**Enhancing Well-Being and Mental Health Through Well-Maintained Vertical Gardens in Residential Buildings: A Case Study of Bosco Verticale, Milan**

01/2025 - 01/2025

Undergraduate Research & Innovation Competition (URIC)

- Selected as a finalist in the research competition.
- Presented research titled 'Integrating Vertical Gardens into Residential Buildings to Enhance Physical Wellbeing and Mental Health.'
- Gained valuable experience from presenting and learning from diverse research works.

## SOFTWARES

Revit - Professional

Photoshop - Advanced

Grasshopper - Intermediate

3Ds Max

Rhino - Advanced

Lumion - Advanced

D5 Render - Advanced

Vray

3D Printing - Advanced

Comfy UI - Intermediate

Corona

## LISCENCES

**Autodesk® Certified Professional (Revit® ACP) in Revit For Architectural Design**

Score 880/1000

## TRAINING / COURSES

**BIM 360: DOCS Essential Training**

Eric Chappell

**BIM Collaborate Pro Essential**

Paul F. Aubin

**Getting Started in Autodesk Build**

Autodesk ACC Learning

**Getting Started in Autodesk Docs**

Autodesk ACC Learning

**Revit Worksharing:Management**

**Revit Worksharing: Users**

**Naviswork Essential Training**

Eric Wing

**BIM Collaboration and ACC Certification - Autodesk**

Autodesk

**Revit Architecture Essential Certificate - Autodesk**

Autodesk

**Photoshop Architecture**

Arvil Group

## CERTIFICATION

**RIBA Design Skills Certificate**

**Royal Institute of British Architects (RIBA)**

- Team Participant in Architectural Competition
- Public Speaker

## LANGUAGES

English Professional

Arabic Intermediate

Swedish Beginner
