- URDU  85%
- ENGLISH  75%

### ABOUT ME

I hold a graduate degree in Medical Imaging and bring diverse experience in the field. I have worked at Farooq Hospital and Chughtai Diagnostic Centre in Lahore, gaining expertise in medical imaging. My training at the University of Lahore Teaching Hospital and internship at Fatima Memorial Hospital further honed my skills. Now, I am enthusiastic about exploring opportunities in the field of medical imaging, both within our country and internationally.
