## Accounting, Banking and Financial.

\*Süleyman Demirel University\*

Faculty of Economics and Administrative Sciences – Bachelor's in Finance and Banking

I am an ambitious and dedicated individual with a solid academic background in finance and banking. Throughout my studies, I gained in-depth knowledge of financial and economic principles, supported by strong analytical and problem-solving skills that enable me to make sound financial decisions and offer reliable consultancy.

During my university years, I actively participated in practical projects and workshops, which greatly enhanced my communication and teamwork abilities. I am a fast learner with a proactive approach to self-improvement and adaptability—qualities that help me thrive in dynamic work environments.

I work well under pressure and consistently maintain high performance, even in challenging situations. I seek opportunities that provide new and diverse challenges, where I can contribute my experience, grow professionally, and add value to the team.
