## Construction & Project Management Office Expert | Telecommunications & Civil Infrastructure

 Phone: +62 878-7310-7938

 Email: aris.samudra@gmail.com

 Location: Jakarta

### PROFESSIONAL SUMMARY

---

Experienced Project & Construction Management Expert with 20+ years of expertise in telecommunications, infrastructure, and quality assurance. Proven ability to lead multi-disciplinary teams, ensure compliance with ISO standards, and optimize project execution to meet business objectives. Strong background in risk management, governance, and digital transformation to drive operational efficiency and cost savings.

### WORK EXPERIENCE

---

#### PT. KANTA KARYA UTAMA | Team Leader & Construction Expert

 Jan 2024 – Present |  Jakarta, Indonesia

- Led a multi-disciplinary team (MEP, Structural, Architectural, Inspectors, and Admin) to oversee project execution from planning to handover.
- Ensured compliance with SNI standards, contract requirements, and project specifications to achieve quality and on-time delivery.
- Optimized budget, schedule, and resource allocation, reducing project delays by 20%.
- Conducted risk assessments, quality audits, and technical evaluations, resulting in 30% fewer defects.
- Led site inspections, approvals, and function testing to ensure seamless commissioning.

#### PT. XL AXIATA Tbk

---

##### PMO Project Closing Assurance

 Apr 2021 – Dec 2023

- Managed project closure and financial reconciliation for telecommunication infrastructure projects.
- Improved GR completion rate within PO duration, achieving 100% compliance with financial accruals.
- Led resolution of backlog aging POs, optimizing project accounting and vendor payments.

##### PMO Project Quality & Standardization

 Dec 2017 – Mar 2021

- Spearheaded Zero Defect & Zero Accident initiatives, ensuring compliance with governance standards.
- Developed E-BAST, E-ATP, and E-RFI for digital project documentation, reducing manual errors by 40%.
- Conducted ISO 9001:2015 & ISO 20000-1 audits, securing certification with zero major findings.

## **PMO Rollout Project Manager**

 Feb 2012 – Nov 2017

- Led the rollout of telecommunication infrastructure projects, ensuring on-time, on-budget, and high-quality execution.

---

 Apr 1997 – Dec 1997

- Delivered innovation of Design of precast concrete & technical construction method of sub structures and super structures for International Container Port of Pelindo III Surabaya

## EDUCATION

---

- 🎓 PPM Graduate School of Management | M.Sc. Finance | 1999
- 🎓 Institut Teknologi Sepuluh Nopember (ITS) | B.Sc. Civil Engineering | 1997

## KEY SKILLS

- ✓ Project Management (Agile, Scrum, Waterfall)
- ✓ Construction & Infrastructure Management
- ✓ Process Optimization & Digitalization
- ✓ Risk & Quality Management
- ✓ ISO Auditing & Compliance (9001 & 20000)
- ✓ Budgeting & Cost Control
- ✓ OHSE & Risk Mitigation
- ✓ Stakeholder & Vendor Management

## COMPUTER LITERACY

- ✓ SAP HANA | Microsoft Office Suite (Excel, Word, PowerPoint, Visio, Power BI)
- ✓ Microsoft Project | AutoCAD | Integrated Planning Systems

## TRAININGS & PROFESSIONAL DEVELOPMENT

- 📅 2023 – Problem Solving & Decision Making
- 📅 2022 – K3L (Occupational Safety & Health)
- 📅 2021 – Growth Mindset for Transformation
- 📅 2019 – Risk & Fraud Management
- 📅 2018 – Scrum & Agile

## CERTIFICATIONS

- ✓ Expert in Construction Management – BNSP | 2024 (Grade 8)
- ✓ ISO 9001:2015 & ISO 20000-1:2018 Internal Auditor – BSI | 2020
- ✓ PMI Project Management Course | 2006

## PROFESSIONAL MEMBERSHIPS

- 🏢 Indonesian Construction Engineer Association (ASTEKINDO) – Member No. 142.05.24.210417
