SUMMARY

I am Shumaila Karamat, a dedicated school teacher with 7 years of experience creating positive learning environments for young students. My skills extend to curriculum development and classroom management, where I aim to inspire and nurture each child's growth academically and socially. Committed to inclusivity and motivation, I believe that teaching is a calling to make an impactful difference in students' lives.

EXPERIENCE

Federal Science School

April 2024 - Present

Teaching students of class 4 to 6

- Planning and teaching interactive lessons tailored to different learning styles i.e mixing discussions, hands-on activities, and real-world examples to keep students curious and motivated.
- Fostering a positive classroom environment that encourages student participation, collaboration, and respect
- Communicated effectively with parents and guardians to discuss student progress and address any concerns

Home Tutor

2020-2024

Teached students of Beacon House School of class 6 to 10

- Delivered engaging and structured lessons in Biology, Chemistry, Physics, Mathematics, and English, fostering student understanding and academic growth
- Created engaging and interactive educational materials to enhance student learning during home tutoring sessions
- Communicated regularly with parents to discuss student progress and collaborate on strategies for improvement

The Punjab College
