ABOUT:

A highly motivated and detail-oriented graduate with a strong academic background in accounting and finance. Proficient in financial analysis, bookkeeping, and accounting principles with hands-on experience using accounting software like Tally and Microsoft Excel. Through my academic studies, I have developed a strong foundation in financial reporting, budgeting, and taxation. Recently completed an intensive Investment Banking course, gaining insights into financial analysis, mergers and acquisitions (M&A), and corporate finance. Passion for financial markets and investment strategies. Adept at utilizing financial software and tools, with the ability to quickly adapt to new challenges in fast-paced environments.
