PROFILE

I am passionate about crafting my academic knowledge into practical skills within the field of design. With a strong eye for detail and creativity, I am dedicated to learning and mastering the principles of design to contribute fresh perspectives to projects.

EXPERIENCE

Freelancer

(2021 – 2024)
Freelanced across graphic, fashion, and interior design, applying academic knowledge to real-world projects and gaining hands-on experience.

Content Creator at "The Cube"

As a Graphic Designer and Content Creator at The Cube, I craft engaging visuals for diverse digital platforms. Over the past five months, I've contributed to strategic campaigns, using design to communicate brand messages and captivate audiences.

Projects

Taraf Café (2023)
In 2023, I designed the look of Taraf Café and created its branding. This project showed my love for interior design and my focus on making everything match well.

Aramco Internship

I worked as an intern at Aramco for three months, where I gained valuable experience and learned more about working in a professional environment.
