To Whom It May Concern

This is to certify that Mr. Md Tamzidul Islam had been working for Transcom Foods Limited which is the franchise of Pizza Hut and KFC in Bangladesh under YUM! Restaurant International. He worked here from April 10, 2023 to September 20, 2024. He was serving as a Team Member in our KFC Chattogram. He has expertise in Supply Base, Cashier & Service.

I had found Tamzidul very co-operative, friendly and extremely competent colleague. He always accepts his responsibilities with extreme interest and enthusiasm and completes them in a timely and professional manner. We also certify his full and final settlement of account which has been cleared with the organization.

His contribution to the organization and its success will always be appreciated. We at Transcom Foods Limited wish him all the best in his future endeavors.
