### SUMMARY

Motivated and detail-oriented Pharmacy graduate with foundational knowledge in Regulatory Affairs, Quality Assurance, and Pharmacovigilance within the pharmaceutical industry. Familiar with SFDA regulations, basic regulatory documentation, quality compliance principles, and drug safety reporting processes. Trained in electronic documentation systems and accurate record-keeping. Actively involved in healthcare initiatives through volunteering with the Crown Prince Foundation. Fluent in Arabic and has a good command of English, with strong attention to detail, regulatory compliance, and a clear eagerness to learn and grow within pharmaceutical companies.

---
