BAB Accomodation Habshan Area Abu Dhabi

SUMMARY

Experienced Electrical Professional with over 7 years of expertise in electrical construction and maintenance. Skilled in installing, testing, and repairing electrical systems for residential and industrial projects. I have a strong track record of reading blueprints, troubleshooting complex faults, and ensuring all work meets safety standards. A hardworking team player dedicated to completing projects on time and maintaining equipment for peak performance.

Works EXPERIENCE

National Innovative General Maintenance Company Abu Dhabi. (June 2021 to continue)
Electrician Maintenance. (Al Rabha Court Abu Dhabi and Oil and Gas Area BAB and MERAM Project in Habshan...)

- **System Inspections:** Conducted regular inspections of electrical equipment to ensure peak operational efficiency and safety.
- **Fault Diagnosis:** Responded quickly to wiring issues and electrical faults, identifying potential hazards and resolving technical problems.
- **Control Circuits:** Expertly troubleshot and repaired complex control circuits and malfunctioning system components.
- **Equipment Repair:** Repaired or replaced lighting fixtures, distribution equipment, and electrical controls using specialized hand and power tools.
- **Technical Testing:** Utilized ohmmeters, voltmeters, and megger testers to verify system functionality and circuit continuity.
- **Preventive Maintenance (PM):** Executed scheduled preventive maintenance to minimize equipment downtime and extend the lifespan of electrical assets.

Tech Engineering Tech Group Company LLC Ajman. (Sep 2018 to June 2021)
Electrician. (Work in Tech Tower , Ajman Villas and Al Wasel Tower in Dubai)

- **Technical Interpretation:** Expertly interpreted blueprints, wiring diagrams, and flow charts to execute project requirements with 100% accuracy.
- **Infrastructure Installation:** Installed and tested complex electrical systems for power generation and distribution across large-scale construction sites.
- **High-Access Proficiency:** Experienced in working from ladders, scaffolds, and lifts to install or repair wiring and lighting on roofs, ceilings, and towers.
- **System Inspection:** Conducted thorough inspections of newly installed equipment to ensure full operational functionality and safety compliance.
- **Field Execution:** Managed the complete wiring and installation process for industrial and commercial construction lines, ensuring all work met project deadlines.

Al Mariah United Group LLC Abu Dhabi. (April 2016 to Feb 2017)
Assistant Electrician. (Maintenance in Al Qusais Police Station in Dubai)

- Skilled in using hand and power tools safely.
- Ensured all maintenance activities were performed following strict LOTO (Lockout-Tagout) and safety procedures.
- Helped in conducting continuity and insulation tests using standard electrical testing tools.
- Understanding of simple wiring and electrical components.

SKILLS

- Electrical Systems Installation.
- Electrical Systems Maintenance.
- Electrical Systems Troubleshooting.
- Electrical Safety Procedures.
- Electrical Testing and Inspection.
- Electrical Equipment Repair Circuitry and Wiring Problem Solving and Critical Thinking.

OTHER SKILLS

◆ **Dental Laboratory Technician**

Crown, Crown Bridge.
Dentures, Dentures Repaired .
Hard and Soft Splints etc..

◆ **Kitchen Appliances**

Kitchen appliances Preventative.
Kettles, Tea boiler etc. Maintenance.

◆ **AC Preventive Maintenance**

Performed preventive maintenance of AC systems (Split, Window, Package Units).
Cleaned and serviced filters, coils, and condenser units.
Inspected electrical components (contactors, capacitors, wiring).

◆ **Summing Pool**

Summing pool lights repairing .
Summing pool light connections.

◆ **Plumber Knowledge**

Plumbing knowledge In Maintenance Departments.
Water heater connections .
Shower hose pipe connections .
Wash basin connections etc..

DECLARATION

I certify that the above are true and correct to the best of my knowledge and ability. If given a chance to serve you, I assure that I will execute my duties for the total satisfaction of my superior.

- Communication and Interpersonal Skills.
- Adaptability and Flexibility.
- Teamwork and Collaboration.
- Customer Service and Satisfaction.
- Safety Awareness and Compliance.
- Preventative Maintenance.
- Industrial and commercial electrical systems.
- Contraction and villas works.

PERSONAL INFORMATION

- **FATHER NAME** :- Muhammad Riaz
- **DATE OF BIRTH** :- 16 May 1993
- **PASSPORT** :- EJ9914752
- **NATIONALITY** :- Pakistan
- **RELIGION** :- Islam

EDUCATION

◆ **Diploma In Electrical Engineering.** (2011 To 2014)

Sargodha College of Technology
khushab Pakistan

◆ **Matric with science (2009 To 2011)**

Rashid Minhas Public High
School Jauherabad Pakistan

LANGUAGES

- **English** (Professional Working Proficiency)
- **Arabic** (Limited Working Proficiency)
- **Urdu** (Native / Bilingual Proficiency)
