## ABOUT ME

---

I am a hardworking logistics professional with 2 years of experience in the Saudi market. Currently working as a Shift Lead at Ninja (The Advanced Technology Company). I have good experience in handling delivery teams, managing warehouse shifts, and making sure all orders are delivered on time. I am looking for a better opportunity where I can use my leadership and operational skills.

## WORK EXPERIENCE

---

### Shift Lead

May 2024 – Present

#### The Advanced Technology Company (NINJA) - Arar

- Responsible for managing the full shift and supervising the delivery team/riders.
- Making sure all orders are picked up and delivered without any delay.
- Solving daily operational problems on the ground to keep the work moving.
- Keeping track of attendance and shift performance of the team.
- Handling basic computer work and reporting to the operations manager.

### Logistics & Delivery Associate

2022 – 2024

#### Logistics Sector - Saudi Arabia

- Worked on the field to ensure timely deliveries across different areas.
- Excellent knowledge of Saudi roads and using GPS apps for route planning.
- Handled packages carefully and maintained a good record of successful deliveries.

## EDUCATION & SKILLS

---

- **Education:** Matriculation (Secondary School Certificate).
- **Computer:** Basic Computer knowledge (Internet, Emails, Data Entry).
- **Driving:** Valid Saudi Driving License (Small Car).
- **Languages:** Urdu, Hindi, and Basic English/Arabic.
