-  Iqama Status: Valid Iqama / Transferable

PROFESSIONAL SUMMARY

Reliable, hardworking, and experienced multi-skilled worker with a proven track record in office facility maintenance, professional pest control, and commercial cleaning. Highly capable of handling basic electrical fixes, office lighting, and routine AC filter servicing. Highly adaptable, physically fit, and seeking an immediate position in the Eastern Province with a company open to local Iqama transfer.

CORE SKILLS

-  **Office Maintenance:** Replacing light bulbs, basic wiring inspections, and maintaining full office lighting control.
-  **AC Maintenance Support:** Routine AC filter removal, deep cleaning, and basic operational checks.
-  **Pest Control:** Safe chemical handling, spray equipment operation, inspection, and preventative pest management.
-  **Commercial Cleaning:** Office janitorial tasks, deep cleaning, surface sanitation, and waste management.
-  **Food Production:** Making snacks, operating crisp-flaking equipment, packaging, and food safety hygiene.

PROFESSIONAL EXPERIENCE

Food Production Helper

PASTEL Bakery | 2026 – July 2026

- Operated mixing and processing machinery to prepare snacks, milhites, and crispy flakes.
- Inspected final products for quality, thickness, and crunch before moving them to the packaging area.
- Strictly maintained personal and kitchen hygiene standards according to safety guidelines.

Pest Control Technician

ENTOTOX PUBLIC HEALTH – Jeddah, KSA | 2023 – 2024

- Conducted routine inspections of offices, residential spaces, and facilities to identify pest infestations.
- Prepared and applied specialized chemicals, gels, and baits safely following strict safety rules.
- Managed cleaning chemical inventory and ensured all equipment was safely stored.

Office Maintenance Helper & Cleaner

Al Kifah Contracting Company – Dammam & Riyadh | 2020 – 2022

- Monitored entire office area to ensure all lighting systems were fully functional and under control.
- Conducted small electrical repairs, including changing light bulbs, fixtures, and checking small wiring issues.
- Performed routine AC preventive maintenance by regularly removing and cleaning AC filters and checking unit airflow.
- Maintained, cleaned, and organized commercial office spaces, desks, windows, and communal areas daily.
