Security Staff Officer

Siqara security Private limited-Lahore

July 2019 to November 2024

The Security Supervisor is responsible for overseeing the security team and ensuring the safety and security of people, property, and assets. This role involves supervising security personnel, monitoring security systems, and responding to security incidents.

Key Responsibilities

- **Supervise Security Team*:** Oversee the daily activities of security guards, including assigning tasks, monitoring performance, and providing guidance and support.
- **Monitor Security Systems*:** Keep watch over CCTV cameras, alarm systems, and access control systems to identify potential security threats.
- **Respond to Security Incidents*:** Investigate and respond to security breaches, incidents, or emergencies, and take necessary actions to resolve the situation.
- **Conduct Security Patrols*:** Perform regular security patrols of the premises to identify potential security risks and prevent security breaches.
- **Develop and Implement Security Procedures*:** Create, review, and update security procedures and protocols to ensure they are effective and compliant with regulations.
- **Train and Develop Security Staff*:** Provide training and development opportunities to security staff to enhance their skills and knowledge.
- **Manage Security Resources*:** Oversee the allocation of security resources, including personnel, equipment, and budget.
- **Collaborate with Law Enforcement*:** Build relationships with local law enforcement agencies and collaborate with them on security-related matters.
- **Prepare Security Reports*:** Compile and submit security reports, including incident reports, to management and other stakeholders.
- **Ensure Compliance with Regulations*:** Ensure that security operations comply with relevant laws, regulations, and industry standards.

Requirements

- **Experience*:** 2+ years of experience in security supervision or a related field.
- **Certifications*:** Valid security certifications, such as CPS, CPP, or PSP.
- **Education*:** High school diploma or equivalent required; degree in a related field preferred.
- **Skills*:** Strong leadership, communication, and problem-solving skills.
- **Physical Requirements*:** Ability to stand for long periods, walk, and respond to emergencies.

Working Conditions

- **Shift Work*:** Willingness to work varying shifts, including nights, weekends, and holidays.
- **Physical Demands*:** Ability to work in a fast-paced environment and respond to emergencies.

- Confidentiality*: Ability to maintain confidentiality and handle sensitive information.

Personal Secretary

Moobells diary-Lahore

February 2021 to June 2024

In my previous roles, I have made extensive use of GPS technology and mapping applications to plan the most efficient routes. This includes considering real-time traffic conditions, road closures, and events that may affect travel times.

I prioritize punctuality and safety, ensuring that executives arrive on time for their appointments. Additionally, I often research alternative routes ahead of time, which helps to avoid potential delays and ensure a smooth travel experience.
